Legal Consultation for Foreign Nationals

Designated consultation location :
the Japan Legal Support Center
at Osaka Bar Association

I don't
understand
Japanese law.

Osaka Bar Association offers
legal consultation services
to foreign nationals.

Foreign nationals living in Japan, do you have any problems with your life in Japan? You may be experiencing unexpected problems due to the language barrier or cultural differences. The legal matters are something that even many Japanese don't understand well.

**Would you like
to consult with us?**

Consultation service offerings

- Consultation for foreign nationals
- Consultation about issues related to foreign nationals
- Consultation for those who are unable to understand legal advice in Japanese

Consultation fees

- For those who earn income above the minimum requirement
30 minutes (60 minutes with interpretation) -
5,400 Yen
- For those who earn income not exceeding the minimum requirement - **free of charge**

*The minimum requirement is defined by monthly income after taxes per household as follows.
Single person household 182,000 Yen or less
2 person household 251,000 Yen or less
3 person household 272,000 Yen or less
4 person household 299,000 Yen or less
(Increased by 10% for residents in large cities)
Costs such as rent, housing loans and medical costs may be deducted for the calculation of monthly income provided above.
If your assets such as deposits and savings are more than a certain amount, you may not be able to use this service free of charge.

Interpretation

Interpretation may be available free of charge, at your request.
If you need an interpreter, please let us know when making a reservation.
